THE PRESIDENT'S DAILY LIFE.

How He Eats, Sleeps and Works-His Daily Dinner and Cigar.

President Cleveland is very plain and simple in all his habits. He rises at 7:30 a. m., dresses and shaves himself, and is ready for breakfast at 8. He breakfasts en famille, and finishes his morning repast in less than thirty minutes. His breakfast day to Miss Herbert, of Virginia. The usually consists of catmeal, beefsteak, hot centre of the table was gorgeous with a cakes and eggs. He is very fond of fruit, and eats freely of it. He leaves the breakfast table and goes directly to his office, and begins work without any exercise whatever, writing letters and looking over papers until 10 o'clock, when the callers begin to arrive. He then has a siege of a couple of hours with the statesmen and office seekers, which lasts until 1:30 o'clock, when he is ready for his luncheon. He eats this in less than fifteen minutes, and, like his every day breakfasts and dinners, it is eaten in The adjournment of Congress for the the private dining room, and the whole "I told you to give me The Times office more time to visiting the departments land's lunch consists of bread and butter,

Another moment and he must have been crushed and doubtless killed. No one else secend to notice his danger, and Booth, who held his valise and ticket in his hand, dropped his valise, put the ticket between his teeth, and then rushed up and snatched the stranger by the collar, dragging him out of the interstice and out of peril. The man turned to thank his preserver and recognized the gratitude; but even then the actor was ig-Adam Badeau's Letter.

The Mexican Revolutions.

Mexico to read the accounts of the Mexican revolutions. What would be called a saloon fight in St. Louis would be denominated a revolution by the Americans if it occurred lost. The boat, together with 300 bales in Mexico. I never saw a more harmless thing in my life than the much talked of occasion to call the inhabitants "greasers" will be short but interesting; or if he carries no letters to respectable people, or in some other way meets them through a mutual acquaintance who can vouch for him, he will receive no recognition and rather poor treatment; but the acquaintance of one good family opens all doors to him, and within them all he will be treated royally. —Joseph J. Hertz in Globe-Democrat.

The Sultan's Pleasure Boat.

The pleasure boat presented to the Hon. S. S. Cox by the sultan of Turkey arrived at the Natinal museum in a badly damaged condition. If it were not desirable to preserve it as a curiosity there would be no possible excuse for repairing it. In the steamer coming over to New York, it was crushed into a shapeless mass by the shifting of the cargo. It will take \$1,000 to restore the craft to anything like its original shape and beauty. There is a great deal of hand carving on it which can be replaced deal at Oriental workmanship. The hull is made of tulip wood, battened together on the inside with small blocks of wood, and deluged with pitch. The length of the boat when whole was 32 feet, and its weight 340 the National museum, and Professor Baird expects in a few weeks to have it launched into his already large collection of boats of all nations.-New York Sun.

A MAD MAN.

He Breaks His Chains and Causes Trouble. Lynchburg, Va., December 23.—Tues-day night John L. Lee, a young lawyer at Amherst Courthouse, was startled by loud shrieks, apparently from the courthouse lawn. Supposing them to come from some drunken parties, he did not go immediately to look after the matter. The cries continuing and increasing, he rushed out in his shirt sleeves and proceeded to the jail, where the noise came from, and found one of the cells on fire and three prisoners well nigh suffocated. Lee entered the cell with buckets of water, and with the assistance of E. S. At this time he goes out to drive, in com- Morrill, who had by this time arrived, expany with his private secretary, Col. La- tinguished the flames. It seems there was mont. He returns in time for daner, which a lunatic named Isaiah Carroll confined is ready at 7 o'clock. He does not dress in the cell, who was so dangerous that for dinner in the conventional style, except he was chained to the floor, and two colwhen he has guests present who will ap- ored boys had been confined in the same pear in evening dress. Rescued From a Sinking Bark. Boston, December 23.—The steamer Galileo, Captain Jones, arrived this morning from Hull, England. Captain Jones reports: On December 11th, latitudes 40 degrees 31 minutes, longitude 16 degrees 32 minutes west, sighted a wreck flying signals of distress. Bore down to the vessel, which proved to be the bark Kryolian, whom he had often seen on the order in the lith, Captain Stephens, of Parrsboro', N. has been a very quiet one, and without any special feature. The bears have made occatragedian, whom he had often seen on the lith, Captain Stephens, of Parrsboro', N. Booth," he exclaimed, as he uttered his cargo of corn in bulk. A lifeboat was launched from the Galileo, and in charge norant that he had saved the son of the of Chief Officer Colman reached the preident. Young Lincoln went on to wreck after great difficulty. The captain City Point, and knowing my intimacy with of the bark and the crew of seven men Booth he told me that his life had been were taken off the wreck, which was activity before the new year has set in. saved by my friend, and I wrote to Booth to let him know whom he had served.— water-logged and in a sinking condition, tendency of prices in a dull market is always and taken aboard of the steamer, which a sagging-off one, and we have such a state then proceeded. Captain Stephens reports that he and his men suffered severely. One of the crew, Frank Cook, of Bristol, It is amusing to any one who has lived in was washed overboard from the bark and drowned.

The Store Was on Fire.

PHILADELPHIA, December 23.—Cæsre Barthes, an old Frenchman who deals in bottled wines and liquors at 263 South Mexican revolution. I lived through one Tenth street, was to-day arrested on the that lasted for two years, and during the charge of setting fire to his store this whole time there were only two men morning. His place was discovered on killed; yet the daily maneuvers of the so- fire about 2 o'clock this morning and called armies were telegraphed all over this Barthes was on the roof with a valise in country. If one goes to Mexico and takes his hands. The fiames were quickly extinguished, and the Frenchman came and other unpleasant epithets his career down through an adjoining house. He was taken to a police station, where his valise was examined and found to contain policies of insurance amounting to \$9,700, which he had placed on his stock and fixtures within nine months. Barthes claims that he was asleep in bed, and when he awoke was almost suffocated with smoke, and that he made his escape through the roof after seizing his valuables.

His Body Torn to Pieces.

LANCASTER, PA., December 23.-While warming dynamite cartridges at the railroad cut, east of Elizabethtown, this morning, a spark caused over fifty of them to explode with fearful effect. Wm. Cahill, of Columbia, was instantly killed, his body being torn to pieces, and George Harnathens, of Elizabethtown, and John McManus and Charles Diekel, of Lancaster, were badly injured. McManus' injuries are believed to be fatal.

Special Weather Bulletin.

WASHINGTON, D. C., December 23 .- A cold wave is advancing southeast from Dakota. Its influence will be felt in the Middle Atlantic States for Friday, followed by colder fair weather for Saturpounds. Mr. Cox has given the boat to day in the Mississippi Valley, the East the National museum, and Professor Baird Gulf States, the Middle and Southern Atlantic States.
